

The holiday season is starting to take shape over here at St. Francis Community School nestled here in Regina in the Rosemont Mount Royal neighborhood. Our staff have been hard at work and busy planning to bring that holiday spirit into our school and into the hearts of just over 400 students and their families.

In order to bring these plans to fruition, we are seeking the help and support from the community in order to provide a special holiday season for these children.

Here's how you can help:

1) Christmas Support Program – we are currently collecting funds to assist families with gift cards that can be used to purchase groceries & some gifts for their children. We plan to have this support delivered and available for families during the week of December 18 to 22.

2) Christmas Lunch 🍽️ on December 19, we are planning to provide a holiday meal during the lunch break to celebrate our students and to send them off into their holiday break with full hearts. In order to host a holiday meal for 400 students, the school will need to raise approximately \$3500.

3) Santa Store 🎅👶.... we will be hosting a Santa Store to help our students experience the spirit of giving by being able to choose gifts for their family members and loved ones. Our Santa Store will be open December 5 & 6 during regular school hours. We are seeking gently used items (home décor, books, toys/games, gifts for dad/mom/grandparents) as well as volunteers that may be interested in helping wrap the gifts after the students shop. We are accepting donations for the Santa Store until November 30. Donations for the Santa Store can be dropped off at the school.

We are hoping that with the support of our larger community, we will be able to make this holiday season special for all of the students.
