

Hello and Welcome to
Mrs. LeCouffe's Grade 8 Class!!!

We are beginning to plan another school year for 2025-26. I am excited to meet your child and all the talents and gifts they will bring to our classroom team. I pray that this can be a phenomenal school year for all of us!

Let me introduce myself, my name is Shannon LeCouffe and I am a proud Mom of Duncan, who is grade 11. My husband, Tyler, and I enjoy walking our dog, Trooper, and having family game nights with friends. We are a family of Artists and you will see this in my teaching style as well.

I have been a Regina Catholic School educator for almost 23 years and am confident our year will be full of learning and growth. I have taught grade 8 for 20 of my years in education. I have been blessed to educate at St. Joan of Arc, St. Gregory, St. Josaphat, and Deshayes Catholic School.

During this school year, we will be using EDSBY portfolio for sharing projects home and sending home our week at a glance. Students are suggested to download the Edsby App to their personal device for reminder notices and updates for assessments. EDSBY will have updated grades regularly, which will require you to login regularly. I believe that open and positive communication is key in supporting your child's educational goals and use a team approach. I hope you enjoy a well deserved summer break and I look forward to seeing you soon!

God Bless,
Mrs. Shannon LeCouffe
