

Hello and Welcome to Mrs. Shuba's Grade 6 class!

Welcome! My name is Mrs. Shuba and I will be your teacher for grade 6! I'm very excited to see you at St. Francis in the fall and get to know all of you. I have been teaching for 14 years and have taught almost everything from kindergarten to grade eight. I have three children, ages 10, 9, and 7. I love both playing and watching sports, my favourites being hockey and football. I'm positive we are going to have a great year!
